Dominion Wars Game

This gives some indication of the intended audience (fans of Star Trek and its many iterations in general) and, in turn, provides some idea of why it's not much fun.. Select from more than 20 different starship classes, including several original, never-before-seen ship designs.. Gamers not familiar with the television show on which Star Trek: Deep Space Nine -- Dominion Wars is based, may be a bit puzzled since names of individual people, alien races, ships, political alliances, and other pertinent elements are used regularly without any real explanation.. Its incompatibility with older systems was. The game was greeted with fairly good reviews, but its frequent lockups, crashes and frequently disappearing saved games were serious problems.. The cards have simply been rethemed into the Star Wars universe I was hoping to get these printed.

Aug 21, 2012 Developer - Gizmo Games Release date - 2001 This feature is not available right now.. Please try again later In Star Trek: Deep Space Nine, Dominion Wars, you'll command up to six ships simultaneously.. Choose a captain for each ship Groom your captains as they move through progressive missions.. Star Trek: Deep Space Nine - Dominion Wars' Is a strategy game released for Microsoft Windows in 2001.. Jun 30, 2014 I recently created a set of Star Wars Dominion Cards They are nearly word for word from the base set, so there should be no need to playtest or reword or anything.
